

TCB Finance Report

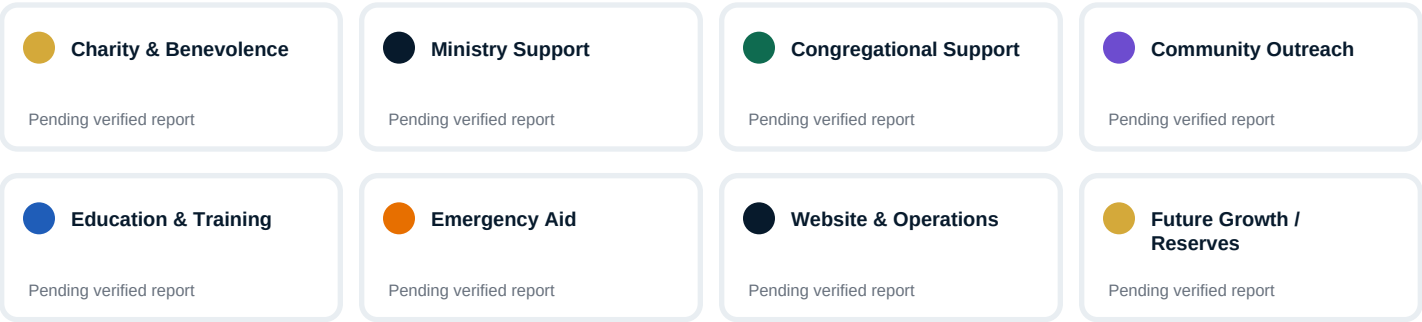

Monthly financial transparency and allocation reporting

REPORT STATUS: Reporting begins when verified financial activity begins.

Once The Church Business begins receiving business revenue and donations, verified monthly finance reports will be published here after the reporting period is closed and reviewed.

Allocation Breakdown

Figures remain blank until verified.

Spent vs. Saved

No amounts or percentages are shown until verified.

TCB Finance Report

This downloadable report will be updated monthly after financial activity begins and each reporting period is verified.
